

St. Francis Xavier Catholic High School

June 27, 2024

Dear Parents/Guardians and the Students of St. Francis Xavier High School,

Congratulations on making it to the end of another year! We are so proud of all our students and their many accomplishments and wish them a summer of rest and time to recharge.

We wanted to provide some details about the upcoming school year in August and September as we will be running registration a little differently than in the past few years.

Registration Days

On August 26 and 27, we will be holding Registration days for Grade 11's and 12's. These days will be set aside for students to come in at the assigned time (please see schedule below) to take their pictures for ID's, get a course change if it follows the prescribed requirements for course changes, receive their locker and textbooks, and pay their fees if it has not been done already. Grade 10's will have this opportunity on Grade 10 Orientation Day on September 3.

Course Changes

Due to the anticipated high student population next year, please be aware that courses are currently at maximum capacity. Course change requests will be reviewed based on the following criteria:

- You have failed a prerequisite course.
- You have not met the prerequisite minimum 60% for academic programming, even though you have passed the previous course.
- Due to illness or other medical reasons, you were not or will not be able to complete the requirements of a course.
- To change provides the opportunity to meet Graduation Requirements.
- You wish to move to another course stream (ie. Social 20-1 to Social 20-2).
- Option Courses will not be considered for changes, unless it is necessary to do so to make one of the changes outlined above.

Course changes **WILL NOT** be accepted through emails this year to your Grade Coordinator. If you cannot make the course change dates listed below, you will have the opportunity to try and get a course change the first week of school, but it is not guaranteed.

Additionally, if you are unable to make it in on August 26 and 27, there will be the opportunity for ID pictures on September 3 for Grade 11's and 12's from 1:00-2:00PM in the cafeteria. However, course changes that day will ONLY be for Grade 10's.
