

FX SPOTLIGHT

Message from Principal Fernando Runco

November brought us so many wonderful learning experiences for our school community!

Congratulations to the **Grease** Cast and Crew on their SOLD OUT 4 night run from Nov. 19-22. On behalf of the entire St. FX community: alumni, former and current staff, students, and countless drama students, we want to congratulate Mr. Ray Huot on 25 years of incredible performances at FX! Grease was exceptional and showcased the hard work of our students, staff, but especially their director. Thank you Mr. Huot!

Also, we had a reverent **Remembrance Day Ceremony** that honoured the brave men and women of our military on November 7.

We also had a prayerful week as we honored the millions of Ukrainians who died as a result of Famine Genocide as we recall the dramatic events of the **Holodomor**. Our school had daily prayers and a prayer table set up near our main office in helping us to remember the victims, the country's children, and the lessons of history.

Lastly, we had our **26th Mike Dea Classic Basketball Tournament**. The tournament honors the legacy of Mike Dea, who served as a teacher and coach at FX for an incredible 35 years. Although he sadly passed away on November 11, 2023, his dedication, passion, and spirit continue to inspire us and this tournament serves as a testament to his enduring legacy.

Congratulations to our Sr. Boys for winning the gold medal and championship against Foothills (Calgary) in the final game! In celebrating **St. Francis Xavier Feast Day** together with the Mike Dea Basketball Classic, we are reminded that our love of sports, education, and faith enriches us as individuals and as a community as we got 'break bread' with our FX school staff, alumni, special guests, parents, and friends alike with a Turkey Feast on Nov. 29th.

As part of our ongoing safety practices, we had our Lockdown Practice on Nov. 19th as we had several police officers in our school assessing our safety measure for our staff; collectively, we are all pleased of how safe our school conducted our Lockdown Practice. Continued at page 2.

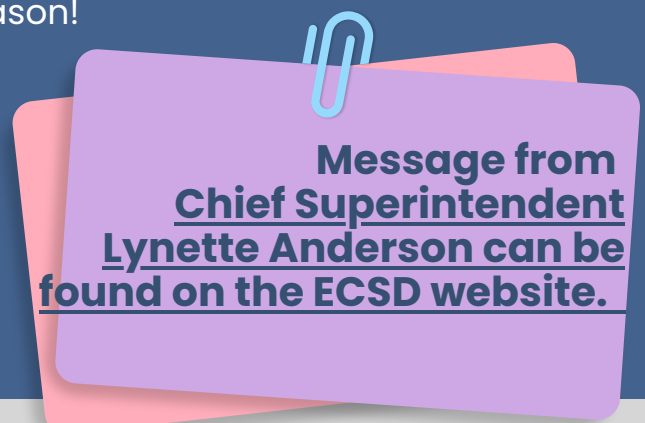

Message from Principal Fernando Runco continued

In December, we begin the season of preparation in anticipation of the birth of Jesus. Advent means “coming” and the season of Advent reminds us of Jesus’ coming into our world and on December 12, we will have our **Advent Liturgy**. While we are looking forward to the joys of the holiday season, let us try to spend some time in reflection to help us truly prepare for the Christmas season.

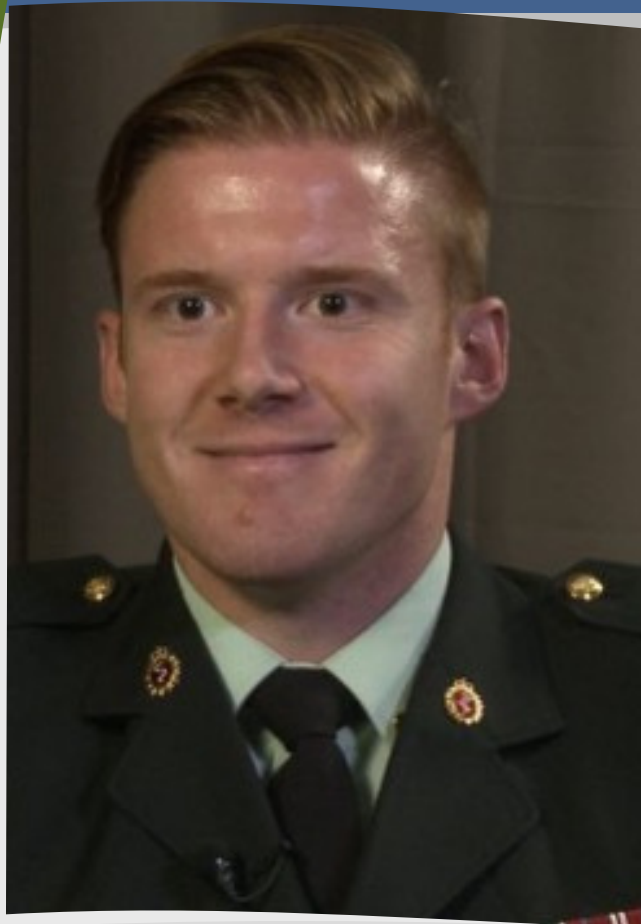

As we await the coming of Jesus, we look forward to a number of activities planned for December. This includes our annual **Battle At The Bill** with our continued partnership with the Matt Cook Foundation on Dec. 18 where the students face off against teachers in a charitable hockey game to raise funds for the comfort and care of young cancer patients and their families. The game will be held at Bill Hunter Arena and it will involve our entire school community. Matt Cook was an FX student who embodied the ‘Caritas Christi’ motto of our school by dedicating his life to serving his school community.

The last day of classes before Christmas break will be on Friday, December 20. Classes will resume on January 6th and there will be no January Spotlight Newsletter. Please view the January Calendar for exam schedules throughout the month. Wishing you and your loved ones a blessed Advent season!

REMEMBRANCE DAY

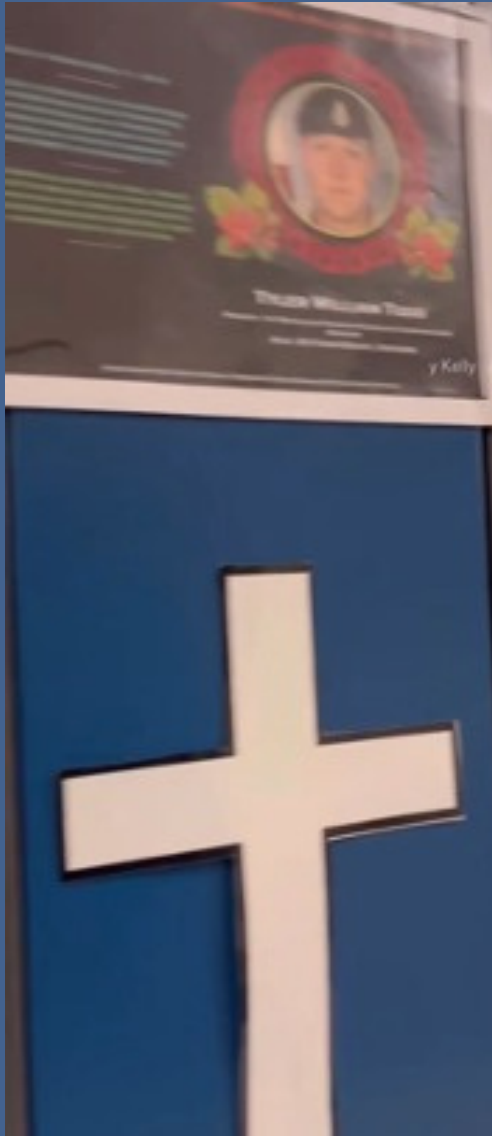

As a St. Francis Xavier Community, we would like to extend exceptional gratitude to Chief Warrant Officer Kristopher Porlier, who came to speak to us about his experience serving in our Canadian Armed Forces. Chief Warrant Officer Porlier is the Regimental Sergeant Major for 15 Field Ambulance and is a 23-year veteran of the Canadian Armed Forces. Chief Warrant Officer Porlier spoke to us about perspective and what it's like to remember friends you have served with, some of which lost their lives in service to our country.

<https://stfrancisxavier.ecsd.net/>

Constable Jody Coughlan, our School Resource Officer (SRO), was in her dress uniform for our Remembrance Day Ceremony. Accompanied by grade 12 student and fire cadet, Izzy Bugera, they paid their respect to our Canadian Armed Forces by participating throughout, but specifically by laying a wreath in our Wreath Laying Ceremony. Thank you Constable Coughlan and Izzy.

HALLWAY OF SILENCE

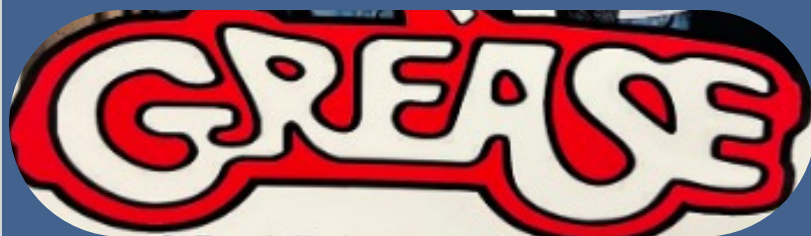

All of Veteran's Week, our east hallway became the Hallway of Silence. All student lockers were adorned with a picture and biography of a fallen Canadian soldier, accompanied with a white cross. This was our small way to show respect for the fallen members of our Canadian Armed Forces.

"GREASE" DRAMA PRODUCTION

Congratulations to the Grease Cast and Crew on their SOLD OUT 4 night run from Nov. 19-22. We want to congratulate **Mr. Ray Huot** on 25 years of incredible performances at FX!

SCHOOL RESOURCE OFFICER

- The Oct 17 "On Alert" at SFX was carried out in an abundance of caution as the Admin team, SRO, and EPS patrol were investigating whether a threat that had circulated among teens had any merit. It was confirmed to be a complete miscommunication that spiraled out of control. Better to be safe than sorry.
- The very next day, a new rumor surfaced and was brought to my attention. For the next month, modified versions of this rumour was traveling around FX & JP students' snapchat & instagram accounts and I investigated every aspect of it. This included correspondence with the SRO team and specialized areas of EPS. All of it was found to be unverified and no source of the alleged threat (on-line or otherwise) was ever found.
- On Nov 19 FX had a Lockdown DRILL and on Nov 21 JP had a lockdown DRILL. On that same day, Rumors ramped up and some of them mentioned these DRILLS along with the October 17 "On Alert" (confirmed as miscommunication) as contributing factors to the fears.
- Several hours later, these messages of fear had circulated to High Schools in all parts of the city and snow-balled into complete chaos. This literally happened overnight.
- Some students acted appropriately by reporting their fears to teachers, parents, Admin, me, EPS, and Crime Stoppers. EPS members conducted an investigation over the early morning hours and also reviewed the report that I had previously written for my investigation (threats unfounded and unverified).

- The conclusion was that there was no viable threat & therefore no reason to create further anxiety & chaos. Had there been any suspicion of the school being unsafe, this would have been communicated by the Admin & police security measures implemented.
- Please remind your child to report information to have it verified before spreading it (as fact) to others. My email is listed above

GRAD COACH

As we are heading into the end of first semester, it is important for all Grade 12 students to be aware of what is required to achieve a High School Completion. - ☐ 10 credits in SCIENCE (see *2 below)

4. Students can earn up to 30 credits in Work Experience, BUT may only use a maximum 15 credits toward diploma requirement

Your parents want you to succeed, your teachers want you to succeed, but at the end of the day **YOU** have to want to succeed! Some tips that may help are:

- Develop study habits that work for you.
- Approach your teacher for extra help during flex block.
- Plan and take one step at a time, so that your workload does not seem so overwhelming. Procrastination does not result in great work.
- Attend all classes and make sure you are mentally present.
- Lastly, find a good balance between school and fun! Work hard, play hard! Balance is KEY!

If you have any questions regarding your High School Completion, please see the Grad Coach Ms. Chong in the Grad Office upstairs.

Other Reminders:

- If you are not already activated, get activated on myPass, so that you can access your Diploma results. Please see Ms. Chong or Miss. Thomas for help with the process.
- Any Grade 12 students doing work through PASS should be **HALFWAY** done their course at this point in the semester.
- Any Grade 12 students completing **MODULES**, must have it completed by **December 18th, 2024**.
