Welcome from the Principal of St. Francis Xavier High School

Dear St. Francis Xavier Catholic High School Community,

We are thrilled to gather for our 26th Annual Mike Dea Classic Basketball Tournament, a time-honored event that embodies the spirit of our FX school community. Each year, our tournament brings together teams from across Western Canada, along with FX staff, alumni, parents, guardians, and cherished guests. Rooted in our school's charism, *Caritas Christi* – the Love of Christ – this event is a testament to the faith, unity, and sportsmanship that define us.

Our Mike Dea Classic Basketball Tournament coincides with our celebration of the Feast Day of St. Francis Xavier, a revered moment for our community to reflect on the values of compassion, resilience, and service that he modeled. As we cheer on the athletes, may we also remember our commitment to living out our Catholic faith in every interaction, embodying kindness, and respect both on and off the court.

In celebrating our Mike Dea Classic Basketball Tournament and Feast Day together, we are reminded that our love of sports, education, and faith enriches us as individuals and as a community. May these values bring blessings to every player, coach, and family, and inspire joy, pride, and connection in the days ahead.

With faith and gratitude,

Fernando Runco
Principal

The History of the Mike Dea Classic Basketball Tournament

Mike Dea was an exceptional teacher and coach at St. Francis Xavier for over 34 years. His coaching career included football, basketball, track, volleyball, and wrestling. For many years, he coached continually - football in the fall, basketball in the winter, and then track and field in the spring.

His enthusiasm and passion for learning and student excellence were, and continue to be, magnetic. It is for these reasons that our annual, top rate national basketball tournament is in his name. This event has become a special cornerstone of our school spirit, as students and staff are joined over the weekend by numerous alumni and community members to cheer on their teams.

On November 11, 2023, Mike passed away peacefully with his family by his side. We will cherish his memory and carry on his spirit of education, sportsmanship, and charity.

The History of ST. FX Day

St. Francis Xavier Day is a day of faith, fun, and feasting to celebrate the school's patron saint. It has been a tradition since our high school opened in 1955 and continues to be a large part of the school's identity.

The day always begins with a Eucharistic Liturgy at Annunciation Church and is followed by a variety of activities and a full turkey lunch prepared and served by the school staff and the graduation committee. Charity and volunteering are at the heart of the day, as proceeds from the turkey lunch are donated and student volunteers move quickly through the halls to make the day a success.

26 years ago, St. Francis Xavier Day was coupled with the Mike Dea Classic Basketball tournament, and the partnership has allowed the school a special way to spread its Catholic identity with the community.

Proud Sponsor of Mike Dea 2024

St. FX relies on a supportive group of parent volunteers who attend monthly meetings. These meetings provide the attendees with information about their child's school life at FX.

All parents are welcome to attend any meeting. We look forward to meeting with you!
