Dear FX School Community,

As we step into the month of June, it is a fitting time to reflect on the ways our school community has truly embodied Caritas Christi – the Love of Christ – throughout this past year. Whether through academics, athletics, specialized academies, Advanced Placement courses, Fine Arts, Clubs, Xavier Union, or school events, the values of inclusivity and belonging have shone brightly in all that we do.

June also marks National Indigenous History Month, a time dedicated to recognizing and honoring the rich history, culture, and contributions of First Nations, Métis, and Inuit peoples. It is an opportunity for us to learn, appreciate, and reflect on the ways Indigenous communities have helped shape our nation's identity.

At the end of May, we had the honour of participating in the Braided Journey Honouring Ceremony at St. Oscar Romero Catholic High School. This meaningful event exemplified our continued commitment to celebrating cultural diversity and fostering mutual respect and unity within our broader school community.

We also celebrated a major milestone for our Grade 12 students at their Graduation. From the beautiful Mass at Annunciation Church to the Commencement and Banquet at the Edmonton Convention Centre, it was a proud and joyful moment to recognize their achievements and the journey that lies ahead.

Message from the Principal

With Father's Day approaching, we take time to express our heartfelt gratitude to all fathers and father figures in our community. Thank you for your ongoing love, encouragement, and presence. We hope you feel truly appreciated and celebrated.

Looking ahead, our June calendar includes many key events, including final exams. The full schedule can be found in our June Newsletter, and we encourage students to stay focused and prepared.

We are also deeply grateful to our School Advisory Council for their steadfast support and commitment. Your collaboration and care have made a meaningful impact on our students and staff, and we look forward to continuing this valuable partnership in the upcoming school year.

As this school year comes to a close, I am filled with gratitude for the privilege of spending my second year as part of our incredible FX RAM FAM. On behalf of the entire FX staff, I wish each of you a summer filled with rest, happiness, peace, and renewal.

May your summer adventures be safe, and may this season bring you many blessings and moments of joy.

With warmest regards,

Fernando Runco, Principal
St. Francis Xavier Catholic High School

THE JUBILEE PRAYER

The Jubilee Prayer

Father in heaven,
may the *faith* you have given us
in your son, Jesus Christ, our brother,
and the flame of *charity* enkindled
in our hearts by the Holy Spirit,
reawaken in us the blessed *hope*
for the coming of your Kingdom.

May your grace transform us
into tireless cultivators
of the seeds of the Gospel.
May those seeds transform from within
both humanity and the whole cosmos
in the sure expectation

of a new heaven and a new earth, when,
with the powers of Evil vanquished,
your glory will shine eternally.

May the grace of the Jubilee
reawaken in us, *Pilgrims of Hope*,
a yearning for the treasures of heaven.
May that same grace spread
the joy and peace of our Redeemer
throughout the earth.

To you our God, eternally blessed,
be glory and praise for ever. Amen

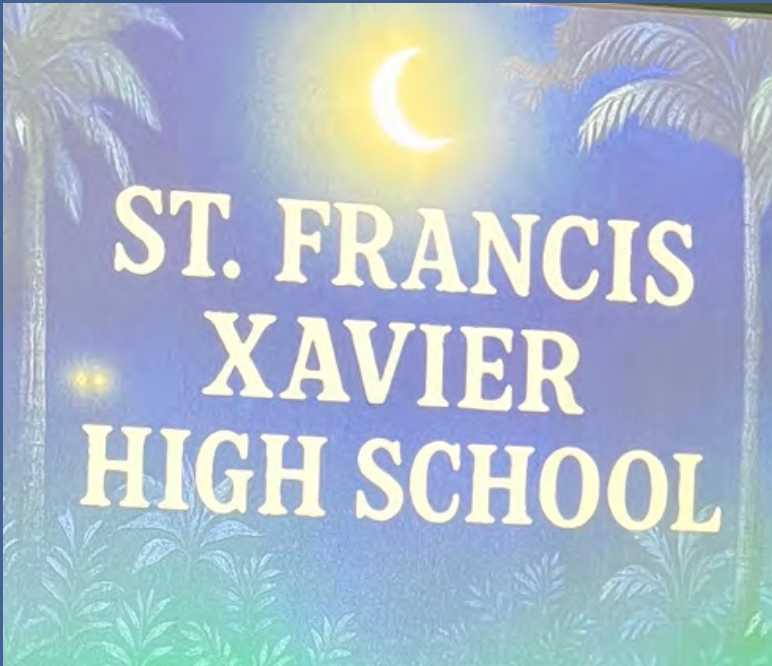

Franciscus

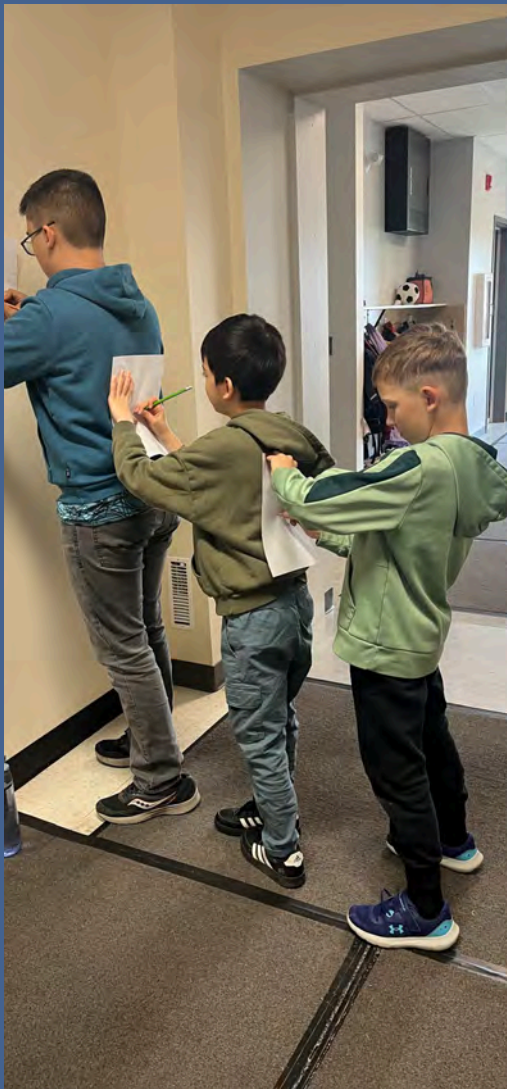

GRAD 2025 – WHERE THE WILD THINGS ARE

A huge thank you to our Grad Committee, Grad Council, all staff, and students for making ‘Where the Wild Things Are’ St. FX Grad 2025 such a meaningful and memorable celebration! Your thoughtful planning, long hours, and commitment to our students truly shone through. Thank you for making St. FX Grad a day to remember!

READING RAMS MENTORSHIP PROGRAM

Another great month of our mentorship program with Annunciation Elementary. Last month we played Math games!

HOCKEY ACADEMY

The Hockey Academy has continued putting in strong work on the ice since their seasons wrapped up to stay in shape and sharp for competitive Junior camps. The group has been competing in skills competitions and team games series. To finish the month and lead into June, the group will be competing in the annual Turcotte Cup 3v3 tournament!

HP HOCKEY ACADEMY

The High Performance group has continued putting in strong work on the ice since their seasons wrapped up to stay in shape and sharp for competitive Junior camps. To finish the month and lead into June, the group will be competing in the annual Turcotte Cup 3v3 tournament!

BASEBALL ACADEMY

We've made the move outdoors and it's been a hot one at the diamond! With our athletes deep into their club seasons, we've kept things light at Academy—focusing on reps, refining mechanics, and getting plenty of quality swings in.

SOCCER ACADEMY

As the year comes to a close, the Soccer Academy is proud to introduce a new award for our students: the Daniel "Dano" Drummond Memorial Soccer Scholarship. This scholarship, established by Dano's family, honors the legacy of Dano Drummond—a former three year St. Francis Xavier Academy student and an exceptionally talented soccer player who competed at the provincial, national, and professional levels, including with our National u17s, Edmonton Aviators and MacEwan University.

Dano was known not only for his skill on the field but also for his compassion, kindness, leadership, and unwavering passion for the game. He inspired people of all ages through coaching, mentorship, and genuine connection. Sadly, Dano passed away in June of 2023 from health complications. Read more by clicking this [link](#).

This scholarship is designed to support 3 year St. Francis Xavier Soccer Academy students who embody Dano's spirit both on and off the field, and in the eyes of the coaches meet the standards that Dano set many years ago. Valued at up to \$2,500, the scholarship may be awarded to one male and/or one female student who reflect Dano's passion, generosity, and commitment to excellence in soccer. Winners will be announced in June.

Lastly, we wish all our graduating players the very best as they take the next step in their journey, and we look forward to welcoming everyone else back next year.

GOLF ACADEMY

The FX Golf Academy has been enjoying an awesome May outside at the Petroleum Club, Cardiff and Northern Bear golf courses with a mix of play and practice.

CTS AND FINE ARTS

As the school year winds down, we want to take a moment to extend our heartfelt congratulations to our Band for closing out the year with a wonderful concert last week. Their performance was a true reflection of the dedication, talent, and passion they've shown all year long.

We also want to thank our incredible music teacher, Mr. Johns for his tireless work behind the scenes—supporting, guiding, and inspiring our students every step of the way. From daily rehearsals to major performances, their commitment to music education has created lasting memories and helped students grow both as musicians and individuals. We are proud of everything our band has accomplished this year and look forward to all the new events lined up for next year! Thank you for an amazing year of music!

BRAIDED JOURNEYS

Hello Tânsi Braided Journeys Families!

The month of May went by quickly, highlighted by a momentous gathering hosted by Braided Journeys and Indigenous Learning Services, which celebrated the remarkable achievements of First Nations, Métis, and Inuit students graduating this year. This splendid occasion honored over 170 Indigenous graduates from Edmonton Catholic Schools. Our heartfelt gratitude extends to the families and students whose contributions made this day truly unforgettable. Additionally, we participated in FX Grad 2025, and I feel deeply privileged to share this cherished day with the students and their families.

As June dawns, it ushers in National Indigenous Peoples Month, a time to celebrate our culture alongside family and friends. To discover Edmonton's extraordinary events unfolding this month, please visit the [Indigenous Relations page](#).

June serves as a crucial month for students to address any lingering assignments and complete missed exams. If there are marks in PowerSchool reflecting zeros or "Not Handed In" (NHI), please encourage your student to connect with their teacher to craft a strategy for catching up. We are also preparing for the final exams, which will start on June 9 and conclude on June 25. Should you have any questions regarding your student's academic progress, including credits, course planning for the upcoming year, and their path to graduation, please do not hesitate to reach out. Here's to more sunshine and outdoor adventures!

SCHOOL RESOURCE OFFICER

Hello FX Families,

I want to bring to your attention that I have seized 8 Gel Blaster/ Water Guns that were used by FX students in three separate occurrences over the past 2 months.

These gel pellets are shot at a high rate of speed which has resulted in injury to students and extremely unsafe situations when moving vehicles were added to the mix.

At FX, consequences to students have ranged from school suspensions, tickets (stunting, shooting projectiles, etc.) and even contemplation of criminal charges (assault with a weapon).

FX Admin have already sent a letter home on this matter and numerous police agencies have put out public service announcements to highlight the risks involved in participating in "Senior Assassins" or like-minded games. Please do not bring these weapons to school and use safe practices if using them recreationally in the community.

EQUITY, DIVERSITY, AND ANTI-RACISM – EDIAR

Facilitated by Jocelyn Chong, Richard Raposo, and Joshua Yen, as an FX school community, we are having courageous conversations with our staff as part of our Community of Practice to grow in our equitable education, address discrimination and racism to build accountability, and to celebrate inclusion to foster belonging for all those who enter in our school.

- We're already doing God's work with our inclusive communities. If we don't acknowledge and celebrate our ministry, nobody else will do it for us.
- All students, staff, and families of Edmonton Catholic School Division will be provided with an inclusive, welcoming, caring, respectful, safe, and Catholic environment that promotes the wellbeing of all and fosters community support for achieving this goal.
- Catholic education is a gift to be lived, treasured and shared with all of God's children.

UPCOMING CONSTRUCTION – Tennis & Pickleball Dome at Jasper Place

We'd like to inform families that construction of a new year-round Tennis & Pickleball dome at Jasper Place is set to begin this May. This initiative is a collaboration between the City of Edmonton and the non-profit partner IQ Tennis & Pickleball. The project will involve placing an air-supported dome over the existing tennis courts, allowing community members to enjoy tennis and pickleball throughout the year.

Most construction will take place within a fenced area on the greenspace between Johnny Bright Sports Park and Bill Hunter Arena and west of the existing tennis courts. While the parking lot will remain available for use, please note that contractors will be accessing the construction sites through the parking lot from now until the end of June. We kindly ask families to use extra caution in the area during this time.

We appreciate your caution and cooperation during construction.

FX STUDENT ATTENDANCE

Student attendance is critical to a student's academic success. In accordance with section 7 of the Education Act, regular school attendance is required and expected of all students from the age of 6 to 16, although this policy applies to all students at St. Francis Xavier. Supporting student attendance is a shared responsibility shared by the school, the teacher, the student, and the parent/guardian and the community.

The responsibility for regular attendance lies with the student and the parent. Students must also accept the consequences of their actions should they choose not to fulfill this responsibility. Students have an obligation to contribute to, as well as benefit from, the learning experience. Irregular attendance curtails a student's ability to contribute and often hinders the progress of the class.

Excused Absence – home and school agree that absences are acceptable, thus excusable. Examples may include: personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, pre-approved family vacation, approved cooperative work programs, field trips, suspensions, and more.

Unexcused Absence – This refers to instances where a student may have missed class without a valid reason. While a student's home may consider this absence justifiable, the school does not view it as acceptable. To avoid confusion, it's advisable to verify any questionable absences with the school in advance.

Students of St. Francis Xavier has the academic responsibility to:

- Regularly attend class punctually with the necessary materials to be successful
 - Demonstrate strong effective study habits
 - Participate fully and complete any assessments to the best of their ability
- Refrain from any academic plagiarism or cheating

FX STUDENT ATTENDANCE

Work is expected to be submitted on the due date posted on the Google Classroom or in PowerSchool (as per St. Francis Xavier Assessment Policy)

Student Responsibility

- **Attend each class registered in and attend punctually.**
- **In all absences, it is the responsibility of the student to check google classroom, approach and/or email the teacher and inquire what materials/homework were assigned during the absence, and to complete the missed work in timelines agreed upon by both parties.**
- **If the student knows in advance, that they will be away for a scheduled exam for a legitimate reason, the student will alert the teacher beforehand.**

Students are expected to not exceed a 10% Unexcused attendance rate. If 10% is exceeded:

- **Students may not be permitted to participate in extracurricular activities**
- **Students may not be permitted to retake the course if they fail at FX**
- **Students have two opportunities to complete an assessment after initially missing it. These opportunities are available during Flex time or Friday Exam Hall. However, students are not permitted to use this option if there is a pattern of missed assessments or classes.**
- **Students may be placed on an attendance contract outlining expectations for attendance.**
- **A parent/student meeting may be booked to address attendance concerns.**

FX STUDENT ATTENDANCE

Vacations (2 weeks or more)

- Students are responsible for informing the teacher in advance and picking up a vacation form from the main office.
- Students are responsible for completing missed major assignments and assessments upon return in a timely manner
- This will be agreed upon with the teacher's discretion
- If a student is going to be away for longer than 6 weeks, there will be a discussion with the Grade Coordinator Assistant Principal that an alternative form of education may be required.

Teacher/Grade Coordinator Responsibility

- Attendance serves as an official record, and it is the teacher's professional responsibility to accurately document it.

Teacher/Student Meeting (prior to 5 absences or 7% absent)

- The teacher will review a copy of this attendance policy with the student and direct him or her to take it home to be reviewed with a parent or guardian.

Parent Contacted by Teacher (5-7 absences or 10% absent)

- The teacher will contact the parent and affirm that information regarding the students' attendance and progress has been received.

Administrative or Guidance Referral #1 (8-10 absences)

- If contacting home does not reduce the AU, the teacher will alert the Grade Level Coordinator. A meeting will occur between parents, student and grade coordinator to:
 - Review previous attempts at contact and interventions
 - Outline consequences
 - Develop a plan for resolution (attendance contract)
 - Keep weekly attendance review and monitor student progress

Administrative or Guidance Referral #2 (behavior has not changed after previous meeting)

- If attempts at remediation have not improved, an administrator will take action to bring an abrupt change to students' behavior. This could include:
 - Outline and create an attendance contract to be signed by parents and student
 - Daily attendance monitoring
 - Class withdrawal
 - Alternative Education
